

UK TAX REFUND

Direct Reclaim Service

UK Tax Free, a branch of the Euro Refund Group, is committed to providing a Tax Free service that is fast, efficient and easy to use.

Our Direct Reclaim Service is an easy way for retailers to manage their VAT Refund claim.

In essence the retailer sells the goods to UK Tax Free who then sell them to the Tourist. This allows UK Tax Free to directly reclaim the VAT from HMRC.

This 'double-sale' in no way affects guarantees, warranties or other elements of customer service.
